THE RAIDER 1972

SOMERSET HIGH SCHOOL

In a world where rebellion and unrest is common, the environment at Somerset High School is unique. The attributes of the student body and of the faculty reflect the influences which combine to promote an atmosphere of non-violent change and progress. The 1972 RAIDER attempts to depict life at SHS by exposing the high school in motion — the activities, the people, and the academics which influence each student. All of these elements combine to create an atmosphere of learning, fun, questioning, and involvement. The result is a school that stresses not only academics, but also human development and understanding.

SOMERSET

by *Rod McKuen*

Every day was Sunday
and every month was May
and every girl who came along
was sure to come your way.
How many years ago was that —
ten, fifteen, or more,
when we lived at Somerset
in that time before?

That time before we grew so big,
before we grew so tall.
Before our eyes were wide enough
to see beyond the wall.
How many years ago was that —
it seems so long ago
when we lived at Somerset
And watched the summer go.

There's a cold wind coming,
I can tell.
Blowing back the memories
of times we loved so well.
When we lived at Somerset
a life or so away
every day was Sunday
and every month was May.
How many years ago was that
ten, fifteen, or more,
when we lived at Somerset
in that time before?

MR. CARL McDERMOTT

The role of principal is a very difficult one to fill in any school system. Here at Somerset High, we are fortunate to have Mr. Carl McDermott, a man dedicated to aiding our development at SHS. In addition to guiding us, seeking new educational methods, and sometimes disciplining us, Mr. McDermott is an avid sports fan. He continuously supports the Raider teams, and whether we win or lose, he can always be counted on for a word of encouragement and a smile. To this man of sincerity and deep concern for others, the Class of 1972 dedicates these pages.

MR. DONALD GRIFFIN

The Class of 1972 takes this opportunity to dedicate "THE RAIDER '72" to Mr. Donald Griffin.

Mr. Griffin, a teacher of biology is a man of concern and sensitivity in regard to his role as a teacher at Somerset High. As a member of the faculty for many years, he has contributed to the expansion of our school and to the excellence of its science department. His warm approach to teaching is exemplary of his interest in his students.

As a teacher and a man, the 1972 Raider honors Mr. Griffin for a job well done.

FACULTY . . .

The faculty at SHS is a very special group of people. Active in the classroom, the corridors, the various clubs and organizations, they strive to meet every student halfway, not only as advisors, but as friends. This unique fellowship between faculty and students creates an atmosphere of cooperation and understanding of which Somerset is proud. An average routine consists of preparing lessons, an exhausting day of trying to reach the students, advising an activity group, attending faculty meetings, and even covering detention. These are some of the little things which often go unnoticed, but are essential to a successful school day. In the following pages we will show you our faculty in action — advising, participating, and teaching!

CROSS COUNTRY

The Raiders 1971 Cross-Country team, led by Coach Richard Bernardo, experienced a season of great expectation and achievement. It was capped by Somerset's first state championship since 1958. The team was crowned Mass. State Division IV Champions after their first place finish in the State Class Meet held in Franklin Park, Boston on October 30. The five scorers were Co-Captains Kevin Gartner and Ed Lussier, Paul Griffo, Bob Almeida, and Randy Osga. The Raider's dominated the league throughout the season and annexed their second straight Narry League Championship. Over the last three years of league competition, they have compiled 17 straight victories. Overall the squad was undefeated in dual meets, with the toughest competition coming from New Bedford High. This year saw Somerset hosting its first Somerset Invitational Cross-Country Meet. The team also did well in competition with teams throughout Rhode Island and with others from New York. The J.V. team, unfortunately, had few meets, but they showed promise and should contribute to the team's strength next year.

FIELD HOCKEY — 72

The Somerset High School Girl's Field Hockey Team completed a most successful season with a record of 5-3-1. This year's team headed by Co-Captains Linda Silvia and Jane Dator, boasted an exceptionally strong defense. Highlights of the season were games with Stang High School and the traditional big game with Case High School of Swansea. This year's team was coached by Miss Sheila Fitzgerald.

FOOTBALL '71

During the 1971 football season, the Somerset High Blue Raiders faced some of the stiffest competition Somerset teams have seen in years. The boys rose to the tasks and silenced the skeptics who had foreseen a losing season. They convincingly defeated strong and favored teams in the persons of Attleboro — BCL champions, Fairhaven — tops in the Capeway League, and Stoughton — one of the best teams in the Hockamock League. In their losses to Barrington and Seekonk, the toughest competitor proved to be the clock as the Raiders nearly scored the winning points in the closing seconds of the ball game.

Coach McDonald, in his first year as head coach, led his squad to a respectable 5-3 record. Somerset, as usual, outsized in every contest, proved that hustle, desire, teamwork, and character are truly the ingredients needed to produce a winning season. The relatively small offense line, the quick and versatile backfield, and fine all-round defensive play brought about the success of this year's team. Congratulations and thanks are in order for this past season.

BLUE RAIDER MARCHING BAND

Somerset High School is very proud of its marching band. This organization adds color to the football field and spirit to the games and pep rallies.

The band has participated in many competitions in the past, and now has been invited to compete in a festival in Florida in 1973. During this past fall, the band has traveled to North Adams for the fourth consecutive time, and in the competition, placed third in the state.

We must realize how hard the band works and we thank the students and Mr. Perry for what they have given to our school.

"SUPER SPIRIT"

CASE RALLY '71

SPIRIT was the word this year, with all four classes participating in an enthusiastic show of support for the Raiders. The traditional corridor displays surpassed any seen in recent years, and it was clear that each class spent hours painting, planning, and decorating.

The judging, however, included not only the corridor decorations, but also class skits, spirit, participation, and the cheering competition. The Freshmen delighted everyone with their own version of T.V.'s Laugh-In. The Sophomores presented a clever spoof on television commercials. A lesson concerning Raiders was taught on Sesame Street by the Junior Class, and the Seniors paid tribute to Coach McDonald with a hilarious interpretation of This Is Your Life . . .

. . . Although every class deserved to win, one came out on top. Amid colored balloons, homemade confetti, joy, and tears, the winners were announced. First in the cheering competition were the Seniors, and this year's winner of the Case Rally — The Junior Class!

THANKSGIVING 1971

This year's Blue Raider Football Squad, while posting a successful 5-3 record, ended their season with a very disappointing finale at Veteran's Field in Swansea. The Case Cardinals scored first and made the conversion attempt. Somerset came right back and cut the Case lead to two points, 8-6. In the second half, the scoring was duplicated, making the score 16-12. The Cardinals were then satisfied in just maintaining their ground game and running out the clock. Our team kept playing the fine brand of football they had exhibited all season, but unfortunately, the breaks of the game just seemed to fall Case's way. When the final whistle blew, the Cardinal's had, according to most people, upset the Raiders for the second consecutive year. But as the students of both Somerset and Case High well know, no team can be realistically favored in a game with such traditions as the annual Thanksgiving Day battle.

'72 GYMNASTS

This year the gymnastics club consisted of a selected group of boys who worked diligently, usually with their own initiative, to give outstanding performances. However, the club seemed to fall victim to unfortunate circumstances, suffering two losses to Bridgewater-Raynham and one to Dennis-Yarmouth. Two victories were gained over the club's old rival, Portsmouth Priory, making our overall record 2 wins — 3 losses.

Again, Coach Horton was a great benefit to the club. The strongest events proved to be the side horse and the rings. John Slaby, excellent on the horse, was matched by no one in the area. Mike Simbrom took command of the rings, performing with competence at every meet. Rick Heroux was one of the most promising newcomers, competing in several events. The S.H.S. gymnastics team has many new prospects and a bright outlook to next year's club.

This year, the girls' gymnastics team put forth a great deal of effort trying to uphold the reputation they achieved last year. Coached by Miss Murphy and captained by Lucille Levesque, the team practiced from November to March in preparation for the Bristol County Girls' Gymnastics League meet.

At the meet, the girls did an outstanding job. They won their second consecutive first place over the competitive Sacred Hearts Academy and Dighton-Rehobeth. Congratulations are in order for all.

GIRLS' BASKETBALL '72

Somerset High's 1972 girls' basketball team opened its season with impressive victories. Led by two talented captains, Karen O'Keefe and Barbara Norman, the varsity team performed enthusiastically throughout the season. With a formidable win over Case, the team concluded the season with eight wins and four losses.

The Junior Varsity team again completed a championship year for Somerset High School. With an outstanding effort, a record of eleven wins and no losses was compiled. The Junior Varsity, coached by Miss Fitzgerald certainly gives SHS the depth and strength for successful future seasons.

BASKETBALL '72

This year's Raider squad played fine ball successfully against really tough area competition. Connolly, Case, and Holy Family were as strong and as well-balanced as they have been in recent years. The Blue Raiders compiled a 10-4 regular season record, being beaten twice only by an exceptional parochial team. In play with Connolly and Case, Somerset had a 1-1 season tally with each.

Led by the consistently good play of Tri-Captains Kevin Snell, Mike Jenkinson, and Dave Driscoll, the squad combined backcourt quickness, fine backboard play, and percentage shooting. Their second place finish in league competition placed the Raiders in the State Tourney. The Raiders advanced to the quarterfinals in the tournament, but were finally defeated by the Rockland basketball team.

HOOP ACTION!!

In the opening round of this year's tournament, the Raiders faced the Connolly Cougars at the new SMU gymnasium. Somerset won this encounter through some fine clutch performances in the final quarter. The Raiders outlasted Connolly, 68-62.

In the quarterfinals, Somerset was matched with a strong Rockland squad whose main asset was unusual depth. The halftime score was 40-39, as our team stayed close through tough defense and selective shooting. But, throughout the second half, Rockland had a decisive height advantage and utilized this edge to end Somerset's tournament hopes for this season.

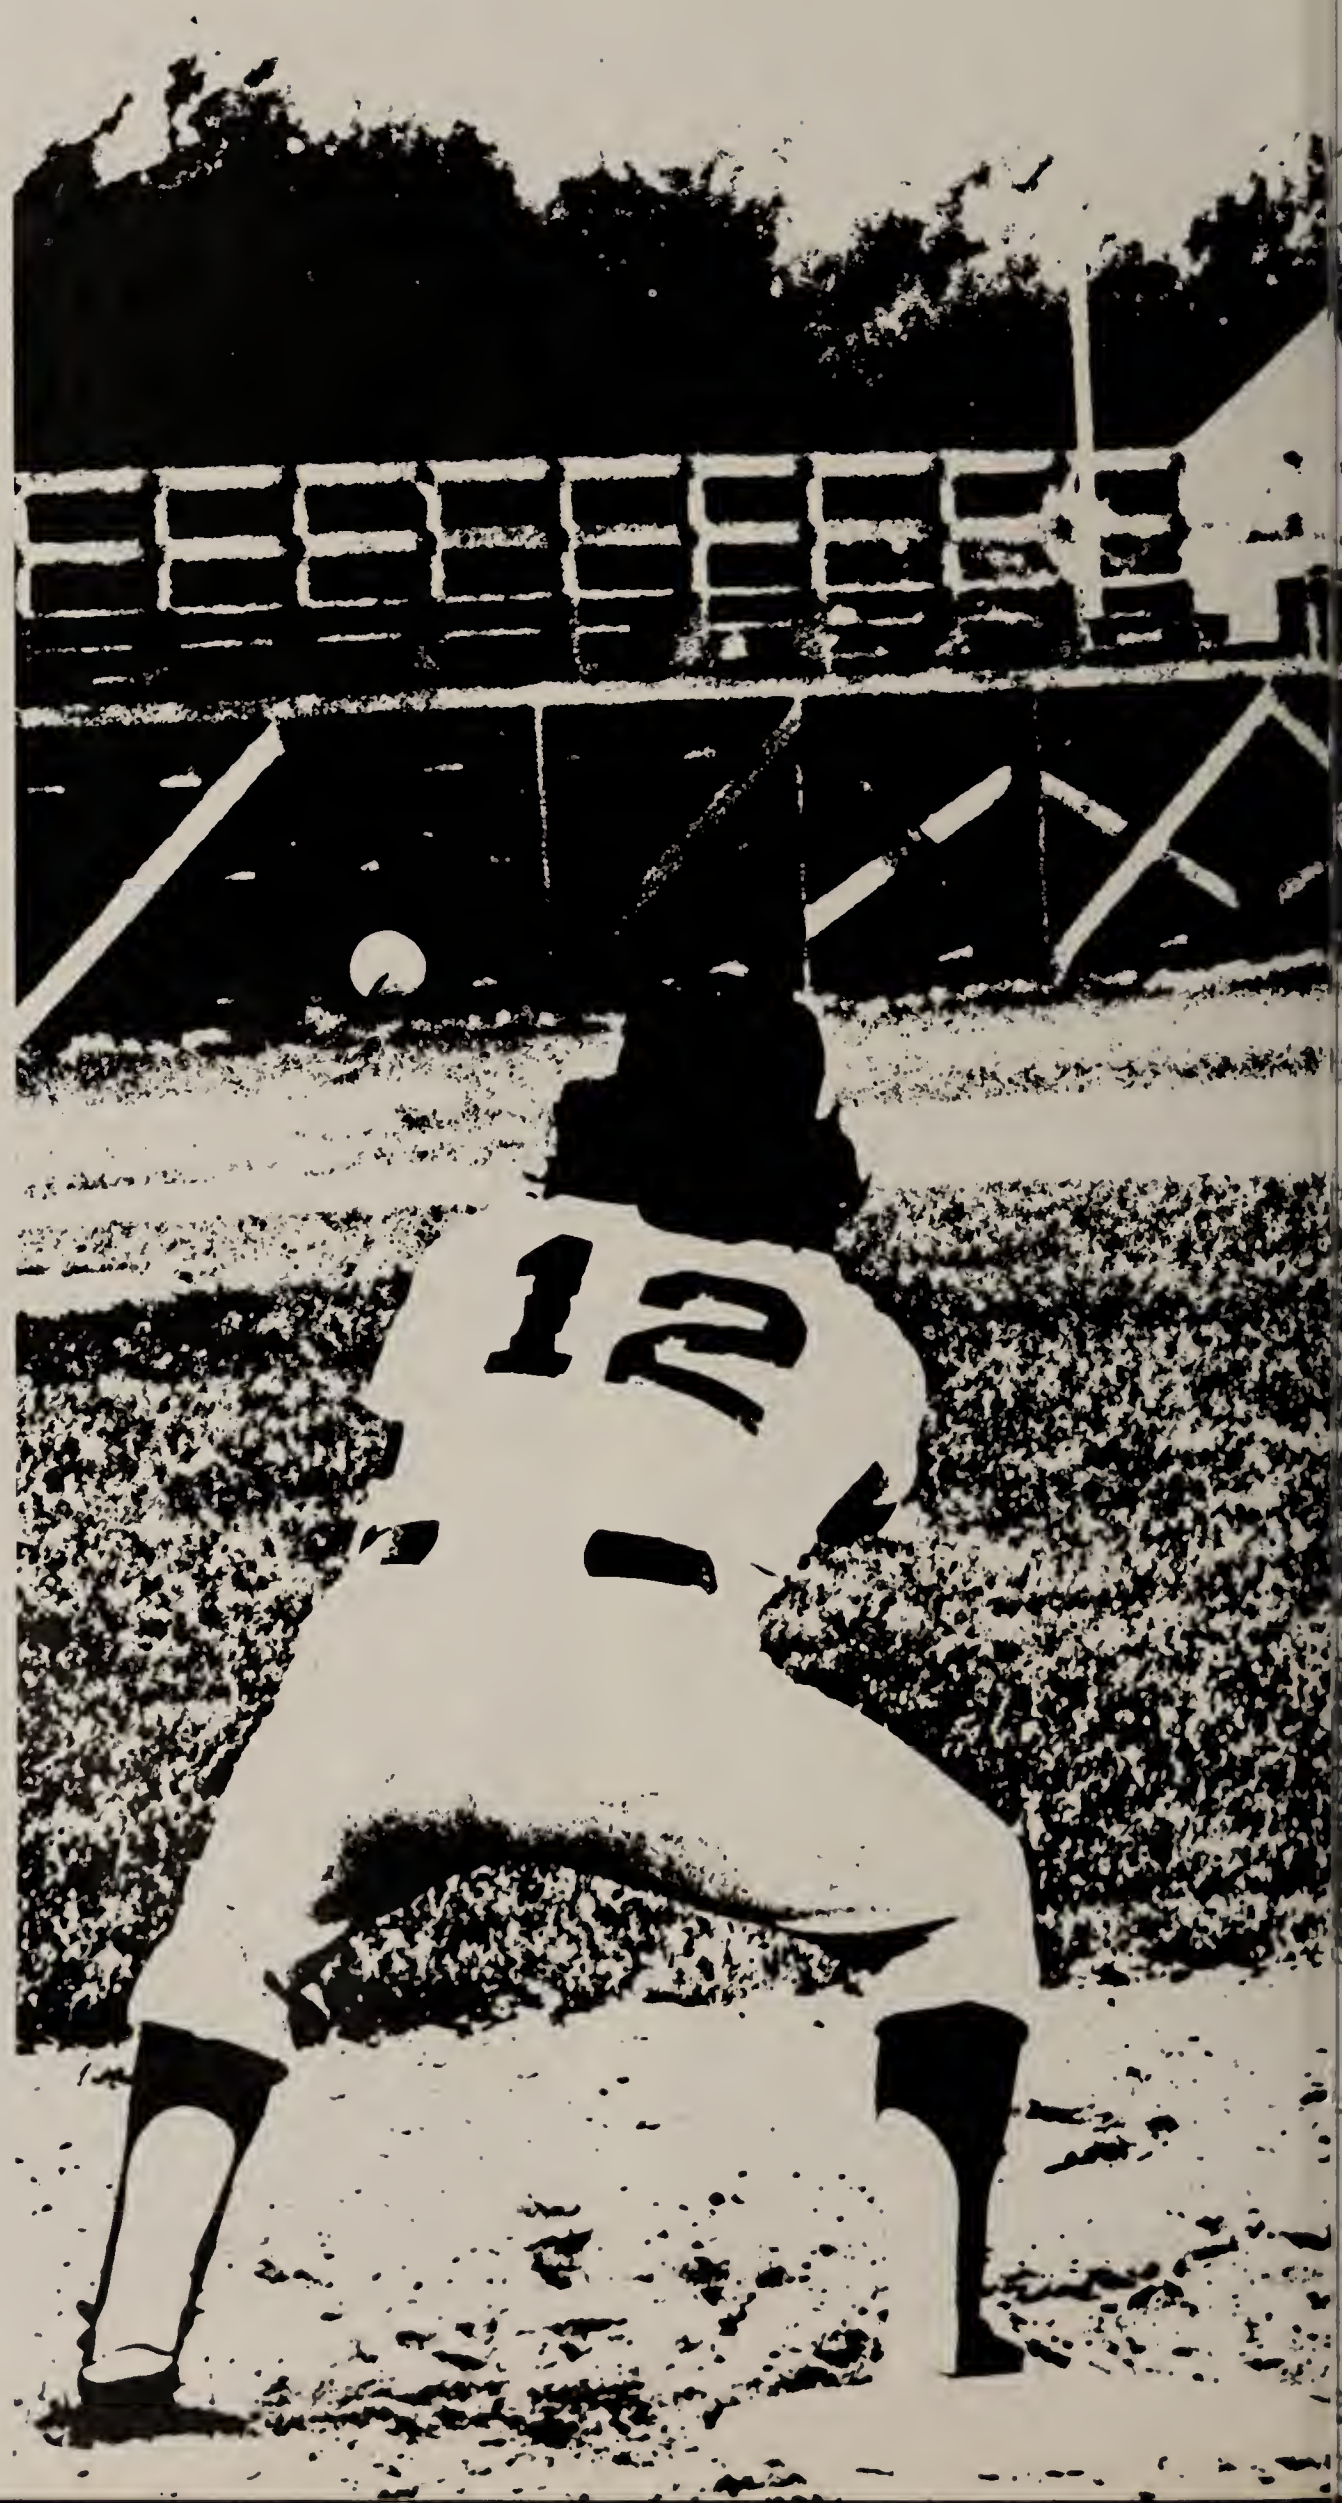
BASEBALL '72



The baseball team, coached once more by Mr. James Sullivan, finished the season with a 10-3 league slate to place themselves in a tie for first place with the Warriors of Seekonk. With a fine 17-6 overall record, the Raiders played exceptionally good baseball after two early league losses, one to Connolly and one to Seekonk. Included in their record were two convincing victories over the Case High Cardinals. Once again, the Raiders qualified for the state baseball tournament, but for the first time in six years, failed to advance to the semifinal stage. Somerset's first tournament opponent was Hingham High School in a game played at Hanson Field in Somerset. After taking an early 3-1 lead, Somerset was plagued with mistakes. Hingham outlasted the Raiders 4-3 in a ten inning ball game, this defeat stopping Somerset's tournament hopes for 1972.

This year's golf team proved to be the best in recent years, compiling an enviable record and placing second in their tough league. The squad had some fine individual performers, and two of these boys advanced to competition on a state-wide basis. Due to the fact that there are no seniors on the team, Coach Corcoran speaks with confidence of the possibility of the league title coming to Somerset for the first time next season. Mr. Corcoran should be congratulated for developing the Somerset golf team from a virtual unknown, several years ago, to the status of a league contender.

SPRING MEANS SOFTBALL

Honored this year as co-captains, Brenda Laliberte and Debbie Ormerod proved their leadership by helping the team attain an overall record of 4 wins, 6 losses.

Due to poor weather conditions, which hampered practice sessions, the team got off to a rather slow start. However, once this extremely high-spirited team ignited, there was no way to stop them. The girls went to victory from then on.

Highlighting the 1972 Raiderettes' season were two major upsets in the league standings. The first being a defeat for Westport and the second a striking victory over Durfee. Both these teams were predestined for the first place seat.

As a very young team, (five of the nine starters were sophomores) Coach Goodwin predicts a championship in the near future.

Track '72

The Somerset High track team, coached by Robert Lane and Whitney Horton, had a successful season, suffering only one loss to Seekonk, in the regular season. Their record (8 wins — 1 loss) included a long-awaited victory over Dartmouth. The team was the Narry League Relay champion, but finished second to Seekonk during the season and in the Narry League Meet.

There were four co-captains this year: Wayne Emard, Kevin Gartner, Dean Thurston, and Ed Lussier. There were quite a few school and league records tied or broken during this season. In an early season practice meet with Attleboro, Paul Griffo ran a fine 9:40.0 two-mile to break Ed Lussier's record by 9 seconds. In the same meet, Kevin Gartner broke Warren Goff's record in the mile with a 4:33.2 effort. In the league meet, Lussier ran a 4:33.1 mile to break the record again. Sophomore Randy Thurston broke the school high jump record, set in 1954, with a 5′ 10″ leap. Bill Brough tied the school record in the 100 yard dash, set in 1960, by running it in 10.1 seconds. Later, in the Narry meet, David Driscoll, running with a cast on his arm, ran 10.2 seconds in the 100 to tie the league meet record. Kevin Gartner broke Francis Brough's league record in the 880 with a 1:59.8 effort. In the state meet, Gartner again broke the mile record with a time of 4:29.4. Fulton Jew, this year's MVP award winner, did very well in the state meets with two vaults over 12′ in the pole vault.

This was the last year of Narry League competition as the league is disbanding to join the Southeastern Massachusetts Conference.

Senior Banquet

This year's Senior Banquet held at White's Restaurant in Wesport, Massachusetts, was a memorable affair. Class President Louise Learned began the evening with an informal greeting to Seniors and faculty members present, encouraging everyone to enjoy the annual event.

A three-course meal, served family-style, followed, and it consisted of Yankee Pot Roast of Beef and Roast Turkey. Awards were then given to deserving Seniors, and the yearbook dedication this year went to Mr. Donald Griffin, a biology teacher at S.H.S.

The entertainment for the evening was a unique slide show presented by the class officers and narrated by Class Secretary Kathy Wallace. Entitled "You Were There," the slide show depicted Seniors involved in various activities throughout the year, and it was both humorous and exciting. Due to lack of interest, the Class Will was dropped this year, but, none-the-less, everyone took advantage of this last Senior gathering to thoroughly enjoy the evening.

GRADUATION

Nothing demonstrated the spirit of the class of 1972 as did the graduation exercises this year. Held on the football field at 4:00 on June 11th, the entire event was a series of "firsts" for Somerset High. Never before had commencement exercises been held outdoors or on a Sunday, and for the first time, girls wore white caps and gowns. The bleachers were packed with parents, relatives, and friends, watching as the graduates received their long-awaited diplomas. Class Speakers Phyllis Gitlin and Micaela Sullivan left the norm and delivered a speech and a poem, respectively.

Class Marshal Leslie Darcy led the graduates to their seats, as the Wind Ensemble played Pomp and Circumstance, and Cantor Barzak, from Temple Beth El, opened the exercises with an invocation. Sixteen awards and scholarships were presented to the students, and the Concert Choir provided the vocal selections.

The big moment then arrived. Principal McDermott and Superintendent Kilgrew awarded the graduates with their diplomas. The ceremony ended at 5:30 P.M. marking the close of this year's graduation exercises, which saw 280 seniors graduate from Somerset High, of which 43 were honor students. The Class of 1972 had again broken all traditions and left a new one to Somerset High.

IN RECOGNITION

The Class of 1972 takes this opportunity to express its gratitude to two people who have given of their time to our class. They are Mrs. Elizabeth Smith and Mr. Edward Ward, who during our Junior and Senior years, respectively, guided, helped, and advised us during Case Rallies, the prom, graduation, the banquet, and all the events and headaches that go along with making Junior and Senior years the exciting years that they are. To both Mrs. Smith and Mr. Ward, our dedicated class advisors, we extend our sincere thanks and gratitude for donating their time and efforts to work with us and to be to each of us, more than just advisors. They are our personal friends.
